Flannel Sheets

Our solid cotton flannel sheets are just the sheets you need to keep you warm and comfortable when it's cold out. They make the perfect addition to any bed, available in a variety of rich colors. Stay warm and cozy all winter long with these sheets.

Many people like the idea of flannel but are unaware of the proper care protocol. Simply wash your sheets with cool water, on a delicate cycle, and tumble dry cool air or low heat. Take out of dryer slightly damp and hang to air dry the remaining time needed. Do not use Bleach as it will slowly start to damage the threads. This item may produce fluff for the first several washes, as that is the nature of cotton until it is broken down a bit.

Available in King, Queen, Full and Twin.

Charcoal, Chocolate, Cream, Navy, Sage, White

Comforters/Duvet Alternatives

Our Clara Clark Double fill Duvets or Comforters make a great down-alternative to feather duvets. Our Four-season comforters will keep you warm in the winter and cool in the summer! Wash them as often as you'd like in cold water with a quality detergent. Diamond stitching prevents the blanket from shifting and bunching while creating a classic design to last!
